

TWIN SHOWER ENCLOSURE WITH A WASHING MACHINE COMPARTMENT

T31 / TWIN

WHERE TO BUY

© Copyright 2024 Vismaravetro srl

Model 160x80 – for installation on an already fitted standard shower tray or directly on floor. Model in recess for the shower enclosure complete with the storage space. The storage space can be equipped with shelves or can contain household appliances in full compliance with the standards on the use of electrical appliances in the bathroom. In this configuration, the shower enclosure Twin can be installed on an already fitted standard shower tray; the storage space is placed on floor beside the shower tray.

Twin is the first and only collection of shower enclosures that offers more opportunities to optimise the use of your bathroom, meeting new requirements for functionality and convenience linked to the availability of space. There is a real compartment next to the shower enclosure, so you can store items or household appliances. It is also perfect from an aesthetic point of view, thanks to the full-length mirror on the second compartment door. The "Twin Mini" version features a handy removable compartment with 5 useful shelves to the side of the shower enclosure.

Design Idelfonso Colombo con Centro Progetti Vismara

DIMENSIONS

L: Min 155 - Max 160 cm
P: Min 70 - Max 90 cm
H: Min 195 - Max 215 cm
H standard: 195 cm

PLUS

MAGNETIC STRIPS

The doors closing is guaranteed by the magnetic strips. The perfect adhesion of the magnetic elements offers the best waterproof.

SUITABLE FOR THE INSTALLATION OF ELECTRICAL HOUSEHOLD APPLIANCES.

Shower enclosures of Twin Collection are designed to accommodate appliances like washing machine or dryer, in full compliance with the standards for the installation and the use of electrical appliances in a bathroom.

CERTIFIED PRODUCT

Product conforming to EN 14428:2018 with CE marking. Vismaravetro shower enclosures are manufactured in conformity with the European standards.

S.M.F. (EASILY MOUNTING SYSTEM)

It is a patented system combined to an innovative extensibility solution thus allowing an ideal panel positioning and at the same time avoiding the water leak.

CUSTOM MADE (CM BY CM)

Vismaravetro's shower enclosures can be customized, cm by cm. to better satisfy all the needs of any architectural situation

POSSIBILITY TO EQUIP WITH SHELVES (NOT INCLUDED).

SEPARATING FIX PANEL MADE OF WHITE LACQUERED GLASS

BIG MIRROR SURFACE

The storing space's door is mirrored on the outside surface and white lacquered on the inside surface

PRODUCT WITH CE MARKING

Product conforming to EN14428:2015 with CE marking

UPPER PROFILE OF STABILITY

An upper profile guarantees stability to shower enclosure without brackets

TPA TREATMENT PREVENTING LIMESCALE

Vismaravetro uses a innovative technology "TPA" for protecting the glass surfaces of shower enclosures. The glass surface is treated with a polymer which limits the adhesive properties of residues such as limescale, grease and soap deposits. The TPA treatment helps with the cleaning and removal of the lime scale deposits and residues from the glass.

COMPONENTS

T31

DOUBLE UNIT SUITABLE FOR ALREADY
INSTALLED STANDARD SHOWER TRAYS NEXT
TO A TECHNICAL SPACE ON FLOOR.

CHARACTERISTICS
