Shower enclosure for rounded tray (R.55 cm) with two 180° pivot doors.

Gold is a classic yet high-profile shower enclosure system, equipped with high-tech features and the finest materials, enhanced by luxury aesthetic details that evoke Italy's cultural tradition. It is a shower enclosure collection that conveys a classic yet highly sophisticated style, which at the same time reflects masterful design and production skills. Gold is the symbol of luxury, welcome beauty and supreme splendour. With the Gold Series, we want to celebrate the wonder of Italian beauty around the world.

Design Centro Progetti Vismara

DIMENSIONS

L: Min 78 - Max 90 cm
H standard: 195 cm

PLUS

MAGNETIC STRIPS

The doors closing is guaranteed by the magnetic strips. The perfect adhesion of the magnetic elements offers the best waterproof.

S.M.F. (EASILY MOUNTING SYSTEM)

It is a patented system combined to an innovative extensibility solution thus allowing an ideal panel positioning and at the same time avoiding the water leak.

LUXURIOUS ACCESSORIES

Golden decorative elements, handles adorned with Swarovski crystals, horizontal towel holders ... Endless customization options that can enhance your shower enclosures of Gold collection. Even the glass walls can be decorated with arched shapes or special decorations.

INWARD AND OUTWARD OPENING

PRODUCT WITH CE MARKING

Product conforming to EN14428:2015 with CE marking

TPA TREATMENT PREVENTING LIMESCALE

Vismaravetro uses an innovative technology "TPA" for protecting the glass surfaces of shower enclosures. The glass surface is treated with a polymer which limits the adhesive properties of residues such as limescale, grease and soap deposits. The TPA treatment helps with the cleaning and removal of the lime scale deposits and residues from the glass.

COMPONENTS

GLT
