

## TWIN SHOWER ENCLOSURE WITH A WASHING MACHINE COMPARTMENT

T44 / TWIN

WHERE TO BUY

© Copyright 2024 Vismaravetro srl

Model 180x80 – for installation on an already fitted shower tray next to the storage space on floor. The storage space can be fitted with shelves or can contain household appliances in full compliance with the standards on the use of electrical appliances in the bathroom. The shower enclosure can be installed on an already fitted shower tray; the storage space is placed on floor beside the shower tray. In conformation T44, shower enclosure Twin has the shower area outwardly.

Twin is the first and only collection of shower enclosures that offers more opportunities to optimise the use of your bathroom, meeting new requirements for functionality and convenience linked to the availability of space. There is a real compartment next to the shower enclosure, so you can store items or household appliances. It is also perfect from an aesthetic point of view, thanks to the full-length mirror on the second compartment door. The "Twin Mini" version features a handy removable compartment with 5 useful shelves to the side of the shower enclosure.

---

PRODUCT WITH CE MARKING

Product conforming to EN14428:2015 with CE marking

---

PVC LOWER PROFILES FOR WATERPROOF

---

UPPER PROFILE OF STABILITY

An upper profile guarantees stability to shower enclosure without brackets

---

TPA TREATMENT PREVENTING LIMESCALE

Vismaravetro uses an innovative technology "TPA" for protecting the glass surfaces of shower enclosures. The glass surface is treated with a polymer which limits the adhesive properties of residues such as limescale, grease and soap deposits. The TPA treatment helps with the cleaning and removal of the lime scale deposits and residues from the glass.

## COMPONENTS

### T44
